What My Clients Say

“

Deana kept us informed, handled all matters in a timely fashion. Would definitely recommend her services. Professional in all aspects of transaction. Very smooth process throughout the listing, sale, and closing.

Hello Neighbor!

Riverside is still getting buyer attention, and with more homes and lots hitting the market, pricing and local knowledge matter. If selling has crossed your mind, I'd be happy to give you an updated value. And please, call me before accepting one of those “we buy your house/lot for cash, quick!” offers. Let's make sure you're not donating equity to a stranger with a postcard and a dream.
